

Ralph F. Theuer Scholarship Award

The family of Ralph F. Theuer, University at Buffalo alumnus, BA Chemistry 1946 and EdM. Science Education 1950, in order to further science education, established the Ralph F. Theuer Endowment Fund in 1994.

This award is presented annually to one or more outstanding students pursuing a degree in Chemistry or a graduate degree in Science Education at the State University of New York at Buffalo.

Awardees are selected by the Department of Chemistry Undergraduate Affairs Committee, and students selected are presented their scholarship and certificate at the Department of Chemistry annual awards ceremony.
